MONUMENT  
FINE ARTS  
THEATER

We've been practicing, having fun with friends  
and working hard to learn to dance!  
My teacher helps me to listen to the music and  
learn our choreography! When I practice at home  
I learn more and grow stronger!  
I can do my dance by myself!

Before I go to the theatre, I can make sure I have what I need!

I will need my pristine & beautiful costume, my hairpiece, new tights, dancing shoes, and a water bottle in case I get thirsty.

My girl hair will go into a sleek, neat dancer bun! My parents can help me to smooth all the tiny, wispy hairs. I will wear a little stage makeup, with powder or foundation, mascara, cheeks & pink lipstick to show my smile!

(Tips here: <https://rcdancearts.com/recital-2023/costumes/>)

When we get to the theatre, my family will check me in to go backstage, to join my teachers and dance friends! Then my family and friends will have their tickets scanned and find our special reserved seats.

(Tip: Flowers & Yearbooks here: <https://rcdancearts.com/recital-2023/keepsake-packages/>)

I might feel:

It's performance time!  
We will perform for my family and those  
who love me, while giving the gift of dance  
to all the people in the audience.

I am focused but I also might feel:

We did it! It's good to feel accomplished.  
I can finish and then join my family in the  
lobby when the show is over!

My favorite costume was:
